Fișe pentru activități

*Misiunea **Junior Achievement** este să inspire și să pregătească tânăra generație pentru a reuși în carieră și viață, prin încurajarea inițiativei, profesionalismului și dezvoltării unor competențe esențiale pentru viață.*

**Junior Achievement România**, organizație nonprofit (înființată în 1993), parte a **JA Worldwide® SUA** (înființată în 1918) și a **JA Europe** (înființată în 1967), derulează în școlile din România programe de educație economică, antreprenorială, financiară și de orientare profesională, într-una dintre formele:

- curriculum la decizia școlii
- dirigenție/consiliere
- extracurricular/cerc
- școală după școală

Programele internaționale Junior Achievement (JA) în România sunt implementate în parteneriat cu **Ministerul Educației** conform protocolului 10184/14.05.2003, iar kiturile JA (manuale, ghiduri pentru profesori și voluntari, fișe pentru activități) au acordul **Ministerului Educației** în vederea utilizării la clasă, conform Notei Ministerului Educației nr. 3637/11.10.2017 și anexei acesteia.
